

Frédéric Blondy (piano) / **Thomas Lehn** (synth [stereo/ 2 Ch])

Technical Rider & Stage Set-Up

Technical Requirements:

- 1 concert grand piano
- 2 mics with stands for piano
- 1 mic with stands for piano with XLR cable (routed into synth)
- 2 piano benches
- 4 loud speakers on stands facing towards audience (M1 - M4)
(best equal active monitors)
- 1 MACKIE 1202VLZ or 802VLZ mixing board (with MAIN and ALT/CTRL outputs)
This mixing desk needs to be placed on stage next to the synthesizer.
- signal routing of the speakers:
M1 = piano left
M2 = synth left
M3 = piano right
M4 = synth right
- 2 piano benches
- power supply plug boards on stage
(no 110-220 V power converter required)
